We are coming to the end of the season

and it is time to discontinue the Field Reporter for this season. We trust that your season has been productive and rewarding, and we are pleased to have had an opportunity to provide some input.

Next season the Field Reporter will contain some new features. However, we will stay with the same objective of providing you with a short, precise assessment of biological information for the key pests in your area.

Finally, we are pleased to thank our contributors to the Field Reporter for the 2019 season:

- Butte and Sutter Counties: Rick Carothers, Ag Advisors
- Glenn County: Jim Pingrey
- Fresno County: Devin Carroll
- Kern County: Daryll Castro, Integrated Orchard Management
